update

project update information

week of 25 May 2009

WORK COMPLETED LAST WEEK:

- Paving works outside Westpac and TSB Bank have commenced and approximately 90% complete
- The exposed aggregate panels, clay paving bands, and reinstatement of existing pavers are 90% complete between Westpac and TSB Bank
- Temporary asphalt works have been completed between Alma St and Claudelands Road
- The new water connection for the central median island irrigation outside the Bakehouse Café has been installed
- The speed table outside Goldsmiths Gallery has been completed
- Construction teams have been established on the northbound carriageway between Collingwood St and Alma Street
- Streetlight foundation sleeves and ducting works have been completed alongside the Garden Place speed table
- Existing kerb and channel has been removed between Collingwood Street and Garden Place
- Excavation works for the garden place speed table have been completed
- Establish construction teams on the northbound carriageway between Alma St and Claudelands Road

PLANNED WORK FOR THIS WEEK:

- Continue with ducting and drainage works between Garden Place and Collingwood Street
- Commence kerb and channel preparation works between Garden Place and Collingwood Street
- Complete base works for the Garden Place speed table
- Construct new kerb between State Insurance and Urge Café
- Commence ducting and drainage works between Garden Pl and Alma Street
- Commence ducting and drainage works between Alma Street and Claudelands Road
- Undertake final paving finishing works along the eastern footpath between Collingwood Street and Claudelands Road

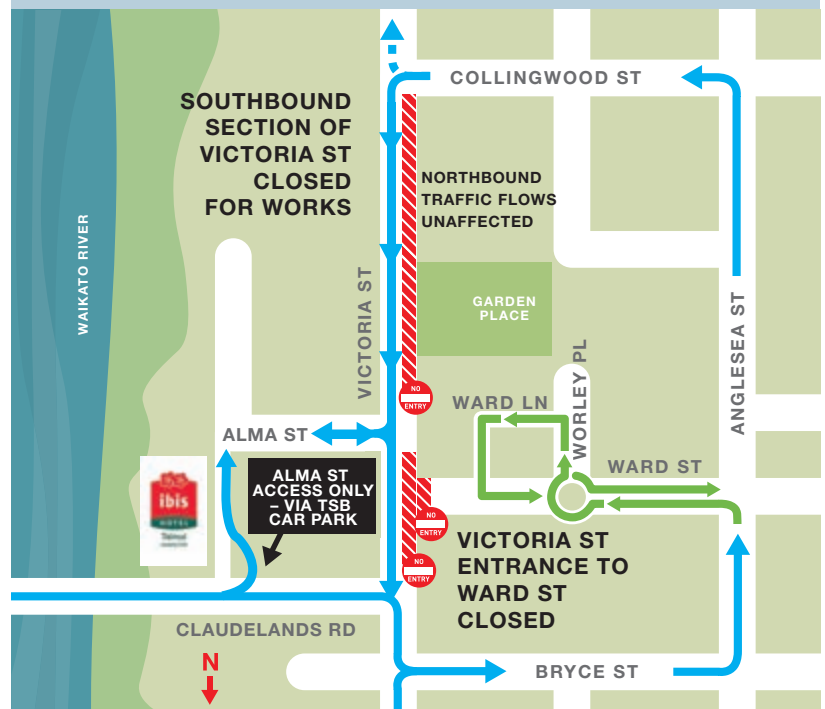

important notice

From Monday 25 May we are closing off the access to Ward Street from Victoria Street, at the same time as we switch the traffic from the northbound carriageway of Victoria Street to the southbound track.

The closure will be put in place from 6:30am. As now Victoria Street will be restricted to northbound traffic only between Collingwood Street and Claudelands Road.

Please see the attached plan which shows that access to the east end of Ward Street will be from Anglesea Street – Ward Street – Worley Place – Ward Lane. This route will be indicated by white on dark blue signs.

The existing loading bays at the east end of Ward Street and at the east end of Ward Lane will remain in operation throughout the closure period, which is due to run until the end of June.
