

# Hamilton City Summer Water Alert Levels and Restrictions - Change to Alert Level 2

## WATER ALERT LEVEL 1

Restrictions:

Sprinkler systems permitted between 6-8am and 6-8pm only.

No restriction on commercial/non residential properties.

## WATER ALERT LEVEL 2

Restrictions:

Sprinkler systems permitted between 6-8am and 6-8pm on alternate days only.

No restriction on commercial/non residential properties.

## WATER ALERT LEVEL 3

Restrictions:

Total ban on domestic sprinklers – only hand-held hosing permitted.

Restriction on outdoor water use for commercial/non residential properties.

## WATER ALERT LEVEL 4

Restrictions:

Total ban on all external non essential use of water.

Restriction on all external water use for commercial/non residential properties.

The above alert levels have been developed to guide our water use in a sustainable manner and to ensure consistent supply throughout the summer and high demand periods.

**Public Notice is hereby given that Hamilton City is at ALERT LEVEL 2 effective immediately.**

When restrictions are required or there is a requirement to change levels, this will be communicated through public notices, radio, newspaper and the [www.hamilton.co.nz](http://www.hamilton.co.nz) website.
