<i>ID# (as per planning maps)</i>	<i>Significant Tree Common Name</i>	<i>Significant Tree Botanical Name</i>	<i>Address/Legal Description</i>	<i>R.N.Z.I.H Score</i>	<i>Category</i>
T18 Map 11			<i>20 Mill St (Whitiara Primary School), Allotment 197 Town of Hamilton West</i>		
18.1	<i>Common Ash</i>	Fraxinus excelsior	<i>20 Mill St</i>	1296	1
18.2	<i>Red Oak</i>	Quercus rubra	<i>20 Mill St</i>	5832	1
18.3	<i>Sweet Gum</i>	Liquidamber styraciflua	<i>20 Mill St</i>	648	2
18.4	<i>Common Elm</i>	Ulmus procera	<i>20 Mill St</i>	576	2

Amendments to Appendix 2.4-I Frankton Railway Village Heritage Precinct:

Proposed amendment to Lot 1 DPS 82739: insertion of Frankton Railway Village Heritage Precinct notation

Amendments to Rule 5.1.1 j) Residential Activities Adjoining Major and Minor Arterial Roads:

The following is an extract from the Proposed District Plan showing the proposed additions and deletions to **Rule 5.1.1 j)**:

j) Residential Activities ~~Adjoining~~ Adjacent to Major and Minor Arterial Roads

- i) Any habitable rooms in new residential activities or the construction of new habitable rooms or extensions to habitable rooms in existing residential activities shall meet an internal L10 (18 hour) noise level of 40dBA, where constructed on a site ~~adjoining~~ adjacent to:
 - an existing major or minor arterial road (constructed before October 30 1999) specified as a High Noise Route in Appendix 5.1-1
 - a new major or minor arterial road (constructed after October 30 1999) which has been designated and only where habitable rooms are located above the height of 2.4m above ground level.
- ii) Where an internal noise level for a habitable room can only be met with doors and windows closed, then an alternative means of ventilation must be provided in accordance with the Building Act 1991.

An acoustic design certificate will be required to show how the required noise standard will be met.

Amendments to Planning Maps 11 and 11a:
